RE: Coronavirus (COVID-19) Lockdown Period – Alert Level 3 Update – Recreational Fishing

---

Dear Covers,

Alert Level 3 Update: Gazetted Fishing Information

Good news for all The Coves fishermen – recreational fishing is now allowed. Please see attached the Gazetted Regulations from Department of Environment, Forestry and Fisheries.

We would like to bring the clause below from the Regulations to your attention:

*“Recreational fishing may not occur in groups, and all the laws applicable under the Regulations including those relating to social distancing, health protocols, movement and gatherings shall continue to apply.”*

You are welcome to fish at both Bass Dam and Hartbeespoort Dam and normal Coves Rules apply. At the Waterfront, all the other facilities like the ablution facilities, deck, braais, etc remain closed so please plan accordingly.

Kind Regards

---
